Pagrindinės savybės

- ✓ Controller Black
- ✓ Wired & Wireless USB-C
- ✓ Brand compatibility: Yealink

Aprašymas

Meet the New MTouch Plus

With a spacious 11.6-inch 1080P IPS screen, the new MTouch Plus offers a remarkable control experience, ensuring enhanced visibility and convenience. The sleek space black design and premium texture make it an ideal fit for your elegant meeting rooms.

Unleash Multi-Screens Potential

With the Yealink MTouch Plus-EXT, you can set up multiple touch panels in the same room for flexible collaboration needs*. This allows participants to control the camera and switch layouts from different areas of the room at the same time.

Share Ideas Freely

The MTouch Plus allows for Rich content-sharing options by pairing with Yealink WPP30 wireless sharing dongle or connecting with Airplay, Miracast, or Google Cast*.
