order, receive, update, and activate a wide range of valuable HP Care Pack Services over the internet. Administered through the HP Services Network (CSN), it is a fast and simple process that enables immediate registration and service activation.

Rapid Response Hardware Support

This comprehensive extended service agreement provides crucial 4-hour same business day hardware support. Designed for environments where prompt service is paramount, this post-warranty solution covers parts and labour, ensuring rapid-response onsite and remote support for your HP equipment for a full contract period of one year.

Key Benefits and Coverage:

- **Response Time:** Guaranteed 4-hour response time during service hours for critical hardware failures.
- **Service Availability:** Support available 13 hours a day, 5 days a week (13x5), ensuring coverage throughout your primary business hours.
- **Coverage Type:** Full extended service agreement covering necessary parts and labour included.
- **Service Location:** Convenient on-site support, minimizing downtime and logistical effort required to return equipment.
- **Increased ROI:** Improves hardware performance and uptime, increasing the return on your HP and multivendor hardware investments.
- **Simplified Management:** Obtain easy-to-buy, easy-to-use onsite services with consistent coverage across sites.

The service agreement location is defined as On-site, meaning technicians come to you.

LG is a global manufacturer known for providing various electronic products and robust support solutions. Although this specific service package is administered by HP, it is supplied under the framework of LG. Order this critical extended service agreement today from ++SHOP++ to ensure your business operations maintain maximum efficiency and reliability.
