Pagrindinės savybės

- ✓ Multifunctional desk protector mat made from recycled leather with a smooth, premium finish
- ✓ Large 70 x 36cm surface providing space for a keyboard, mouse, notepad and accessories
- ✓ Compatible with all laser and optical mouse tracking
- ✓ Strong and durable material made from recycled leather production scraps and tanned using only plant based methods
- ✓ Protects your desk from scratches, scuffs and spillages while keeping your desk tidy
- ✓ Non-slip material so items stored on top will be stable and secure
- ✓ Made in Germany with a high quality design, smooth matt surface and rounded corners in an inviting matt colour
- ✓ Packaging free from plastic components except for label / tape adhesive
- ✓ Fits perfectly on any standard size desk and the Leitz Ergo Compact Workstation
- ✓ FEEL GOOD with Leitz

Aprašymas

Create your feel good space with the Leitz Large Leather Desk Mat. It is a multifunctional desk protector mat made from recycled leather with a smooth, premium finish. Its large 70 x 36cm surface provides space for a keyboard, mouse, notepad and accessories and is compatible with all laser and optical mouse tracking.

It protects your desk from scratches, scuffs and spillages while keeping your desk tidy. Strong and durable material made from recycled leather scraps. High quality design and made in Germany with a smooth matt surface, rounded corners and non-slip backing. Fits perfectly on any standard size desk and the Leitz Ergo Compact Workstation. FEEL GOOD with Leitz.
