Aprašymas

The Gembird MUSW-4B-04-BG wireless mouse combines practicality and convenience with its AAA type battery design. Its wireless connectivity operating at 2.4 GHz ensures seamless action within a maximum operating distance of 10 m. The optical movement detection technology with a sensitivity range of 800 to 1600 DPI allows for precise cursor control and smooth navigation tailored to diverse tasks. This mouse features four buttons that enhance operation efficiency, catering to users looking for a versatile productivity tool. Built to withstand various environments, this mouse operates effectively in temperatures between -5°C and 45°C, with a humidity range of 10 to 80%. Its nano USB wireless receiver is easy to store and provides a reliable connection, making it ideal for home or office use. Compliance with ISO 9002 and RoHS standards assures quality and safety in its design.
