Aprašymas

The MSI Modern AM242P 1M is an all-in-one desktop solution designed to optimize workspace efficiency while offering impressive performance. It features a 23.8-inch Full HD IPS display, delivering vibrant colors and sharp images, making it ideal for both work and entertainment. Integrated with a 10-core Intel Core 5 processor and 8 GB of DDR5 RAM, this device can handle multitasking with ease, ensuring smooth operation for various applications.

Connectivity is a strong suit of the MSI Modern AM242P 1M, providing options such as HDMI, USB 3.2 Gen 2, and USB-C 3.2 Gen 2 ports. Users can enjoy seamless wireless connections thanks to Wi-Fi 6E and Bluetooth 5.3 technology, facilitating quick and reliable networking. The built-in webcam with Windows Hello support enhances video conferencing, allowing for secure and efficient access. Overall, this all-in-one desktop combines advanced features and practicality, making it a suitable choice for modern users.
