Aprašymas

Euhomy IM011 Ice Maker

The Euhomy IM011 is a portable ice maker that fits easily on a kitchen countertop or in a camper. Thanks to its sturdy handle, you can take it virtually anywhere. Despite its small size, it offers a capacity of about 12 kg of ice per day, which is enough even for heavy use on hot days.

Ice cubes ready in 6 minutes

The Euhomy IM011 can produce its first batch of ice (9 cubes) in just 6 minutes, making it perfect for both unexpected guests and hot days when you need to quickly chill a drink.

Simple operation and quiet operation

The intuitive control panel allows you to start the ice maker with a single button. The device operates quietly without disturbing the peace, making it perfect for home, office, or camping.

Built-in self-cleaning function

To ensure the device operates smoothly, the IM011 model features an automatic cleaning function. Simply pour in water and start the cleaning mode—after 15 minutes, the unit is ready for further use, free of residue and limescale.

Compact design

Thanks to its handy handle and compact design (29.5 × 29 × 23.5 cm), the ice maker fits easily in a trunk or cabinet. You can easily take it along on weekend trips, garden parties, and more.

Included

- ice cube maker
- user manual
