Aprašymas

Multibrackets unique wallmount fits most large display screens on the market.

Introducing the championship series of simple to install wallmounts. Well designed, versatile and powerful.

Multibrackets M Universal new Super Slim wallmounts has all the craftsmanship and innovation found with Multibrackets built in. Potent weight handling, a clean and simple installation and striking style with a slim result.

Multibrackets Fixed Universal wallmounts were based on installer feedback and direct observations of installers in the field. Favorite Multibrackets Universal features include large stud, fast mounting of display and centerless shift.

Multibrackets Universal Wallmount series also feature stability, easy cable management and security (optional locks available). Very easy to assemble. The +400mm span between the assembly bolts makes it possible to install almost any display to the wallmount. Thanks to the Multibrackets Anti-theft system, you can also lock the screen to the wallmount.

Inspired by installers

Installer-inspired Multibrackets fixed Universal wallmounts solves top flat panel installation problems, offering flexible adjustments for displays with a low-profile display mounting solution.

With this exceptional wallmount the screen has a depth to wall of a mere 30mm. All Multibrackets Universal Wallmounts are equipped with a level metering bubble.

Portrait or Landscape

This wallmount support both portrait and landscape installations.

M Universal Wallmount Black Small - Wall mount for displays - screen size mounting: Portrait: 43-65" or Landscape: 32-65" - black
