## Pagrindinės savybės

- ✓ PCIe Gen4x4 interface and complies with the NVMe 1.4 standard
- ✓ 500GB to 4TB capacities in M.2 2280 form factor
- ✓ Built-in data security and error-correction capabilities
- ✓ Suitable for both desktop and notebook

## Aprašymas

### Blazing Speeds And Incredible Performance

From the MSI universe comes storage with blazing speeds and incredible performance.

### SPATIUM M461 SSD Power

Take your system to the next level with SPATIUM. Optimized for the PCIe Gen4 interface, SPATIUM M461 SSD reaches read/write speeds up to 5000/4200 MB/s, allowing for rapid data transfer and shortened game load times.

## Features

|                                   |                   |
|-----------------------------------|-------------------|
| SSD capacity                      | 500 GB            |
| SSD form factor                   | M.2               |
| Interface                         | PCI Express 4.0   |
| NVMe                              | Yes               |
| Memory type                       | 3D NAND           |
| Component for                     | PC/Laptop         |
| NVMe version                      | 1.4               |
| M.2 SSD size                      | 2280 (22 x 80 mm) |
| Read speed                        | 4700 MB/s         |
| Write speed                       | 1700 MB/s         |
| Random read (4KB)                 | 320000 IOPS       |
| Random write (4KB)                | 400000 IOPS       |
| Controller type                   | Phison E21T       |
| PCI Express interface data lanes  | x4                |
| S.M.A.R.T. support                | Yes               |
| TRIM support                      | Yes               |
| ECC                               | Yes               |
| End-to-End Data Protection        | Yes               |
| Mean time between failures (MTBF) | 1500000 h         |
| TBW rating                        | 110               |

## Packaging data

|              |     |
|--------------|-----|
| Package type | Box |
|--------------|-----|

## Operational conditions

|                             |             |
|-----------------------------|-------------|
| Operating temperature (T-T) | 0 - 70 °C   |
| Storage temperature (T-T)   | -40 - 85 °C |

## Other features

|                 |           |
|-----------------|-----------|
| Warranty period | 5 year(s) |
|-----------------|-----------|

## Matmenys ir svoris

|                      |                           |
|----------------------|---------------------------|
| Matmenys (I x P x A) | 16,00cm x 9,00cm x 2,00cm |
|----------------------|---------------------------|
