Pagrindinės savybės

- ✓ Ensures that your smart lights are always connected to power
- ✓ Control lights, rooms or zones
- ✓ Cycle through scenes by toggling the light switch
- ✓ Hue Bridge required

Aprašymas

Easy smart lighting

Installed behind light switches, the Philips Hue wall switch module lets you use existing switches with your Philips Hue smart lights. Your lights always stay powered on and reachable – and you can even use the switch to set multiple scenes on an individual light or in a Room or Zone.
