Pagrindinės savybės

- ✓ Strip-cut shredder for up to 6 sheets of DIN-A4 paper (80 gsm) at a time, also suitable for shredding plastic cards
- ✓ Automatic Start / Stop function: the cutting rollers start automatically as soon as the material to be shredded is fed in, and stop as soon as the shredding process is complete
- ✓ Reverse function: especially useful if a jammed document needs to be released again using the automatic and reverse button
- ✓ Device head can be placed on round and angular paper baskets with diameters / widths from approx. 28.8 - 35.5 cm

Aprašymas

Invoices, purchasing documents, covering letters unshredded in the bin? Nobody should be able to access your data so easily. Our mini-format document shredder is ideal for home use. With no collecting bin, it fits on top of many waste paper baskets and can be stored in a space-saving way.

Paper entry slot for plastic cards

Plastic cards can also be destroyed via the paper entry slot

Overheating protection

The device shuts itself off automatically to avoid damage on the device

Staple-proof

High-quality cutters are made of steel and cope with staples

Extendable arm for wastepaper baskets

Shredder head with an extendable arm to fit standard wastepaper baskets
