Pagrindinės savybės

- ✓ Black Ear-hook Headset
- ✓ 20 - 20000 Hz 16 Ω 124 dB
- ✓ Wired USB connectivity
- ✓ Microphone type: In-line -38 dB

Aprašymas

For clear, hands-free Push-to-Talk from task one to done

Purpose-built for retail associates on the store floor, Jabra Perform 10 Wired Push-to-Talk (PTT) Earpiece acts as a value-adding endpoint for PTT software from Zebra and Zello with In-Line Microphone.

Perform 10 works with PTT software to give associates a quick, easy, and reliable way to communicate, while staying heads-up, hands-free and focused on customers - from minute one of their shift.

Why add Perform 10 to your Push-to-Talk deployment?

Push-to-Talk apps from leading vendors like Zebra and Zello are powerful tools that simplify communication and improve associate productivity. But without a headset, PTT messages can be missed, overheard, or slower to act on.

That's where Perform 10 comes in.

Plug in and hear every word

Even during peak trading hours, Perform 10's high-performance microphone filters out store noise for clear, reliable communication across the floor.

Audio plays directly in-ear to keep conversations private, while still allowing associates to stay aware of their surroundings - reducing repeats and customer disruption.

Plug in and be comfortable allshift long

We know that comfort is critical for adoption. That's why Perform 10's lightweight, discreet design is made to fit over 90% of ears. Its adjustable ear piece and curved ear hook means it will stay comfortable and in-place on either ear, while the in-line controller has a rotating clip that easily attaches to different uniforms.

Plug in and connect

Perform 10 is simple for associates to learn and use - no charging, no pairing, just USB-C plug-and-play. The adjustable ear piece and clip-on mic make it easy to get going, while the PTT button and volume controls are simple and accessible. This means less time training and fewer questions during rollout - so your teams can plug in and start communicating from minute one.

Plug in and keep going

Perform 10 might be small and light, but that doesn't mean it's fragile. It's IP67-rated for dust and water resistance, drop tested to 1.8m, and reinforced to handle daily knocks, drops, and cleaning. It can be sanitized easily with 70% isopropyl alcohol wipes, so it keeps performing shift after shift with fewer replacements.

Plug in and expand your reach

Perform 10 is built for retail. But its core strengths also make it ideal for Push-to-Talk deployments in other sectors, from hospitality and healthcare to events and security. It delivers the same clarity, comfort, ease-of-use, and durability - wherever hands-free communication is essential.

Techninė specifikacija

Specifications	
Sandėlio grupė	Mobility > Bluetooth Headsets [+104][-102]
Performance	
Product type	Headset
Wearing style	Ear-hook
Headset type	Monaural
Product colour	Black
International Protection (IP) code	IP67
Virtual surround	No
Heart rate monitor	No
Motion sensor	No
Bone conduction sensor	No
Over the Air Updates (OTA)	No
On/off switch	No
Hearing protection technologies	Jabra PeakStop
Phonebook access profile (PBAP)	No
Daisy chain	No

HD voice	No
Auto-connect	No
In-ear pressure relief	No
Housing material	Polycarbonate (PC), Acrylonitrile butadiene styrene (ABS), Thermoplastic polyurethane (TPU)
Refurbished	No
Unified communications	No
Push-to-Talk (PTT)	Yes
Works with Amazon Alexa	No
Steel hinges	No
Certification	FCC;ISED;CE;RoHS;Proposition 65;Apple MFi
Power bass	No
Ports & interfaces	
Connectivity technology	Wired
USB connectivity	Yes
USB connector	USB Type-C
Frequency response (music mode)	20 - 20000 Hz
Frequency response (talk mode)	100 - 8000 Hz
Headphones	
Maximum input power	20 mW
Headphone frequency	20 - 20000 Hz
Impedance	16 Ω
Headphone sensitivity	124 dB
Driver unit	1.2 cm
Noise reduction	No
HearThrough	No
Microphone	
Microphone type	In-line
Microphone frequency	70 - 10000 Hz
Microphone sensitivity	-38 dB
Microphone direction type	Unidirectional
Number of microphones	1
Microphone mute	No
Battery	
Fast charging	No

Replaceable battery	No
Music player	
FM radio	No
Operational conditions	
Operating temperature (T-T)	-30 - 60 °C
Storage temperature (T-T)	-30 - 45 °C
Weight & dimensions	
Width	37.5 mm
Depth	61.7 mm
Height	15.3 mm
Weight	35 g
