- ✓ Kabelių varstymo juosta Juoda
- ✓ Plienas
- ✓ 1U
- ✓ 10 vnt

Aprašymas

Route your cables on these horizontal cable managers to reduce cable tension in your server rack

These lacing bars install horizontally on the front or back of your rack to provide a secure mounting point for you to run cables. You can attach your cables to the lacing bars using cable ties to reduce the tension on your cables and prevent damage to the ports on your rack-mount equipment. The lacing bars feature a 4 in. offset for hassle-free cable access.

Protect your equipment

Cable lacing bars protect your equipment by offloading the weight of the cables in your rack, which reduces the constant strain that can be put on the ports of your rack equipment. The lacing bars also provide a route for cables, which enhances passive cooling within your rack. This helps to ensure your rack remains at an optimal temperature, to extend the life of your equipment and minimize or eliminate downtime.

Discreet and sturdy design

These cable lacing bars are constructed of solid steel and occupy just one-third of a rack U at each install point. The lacing bars are engineered to run horizontally and feature a 4 in. offset at 75 degrees, which enables you to easily run cables from the back of your equipment. The round solid-steel design ensures a high weight capacity, unlike flat lacing bars that can bend easily.

Save on shipping costs

This package includes 10 cable lacing bars, enabling you to buy multiple bars packaged together. This is ideal for large-scale implementations, because it significantly reduces the packaging, and in turn, shipping costs.

Techninė specifikacija

Savybės	
Tipas	Kabelių varstymo juosta
Produkto spalva	Juoda
Korpuso medžiaga	Plienas
Rėmo pajėgumas	1U
Svoris ir matmenys	
Svoris	150 g
Pakuotės duomenys	
Kiekis pakuotėje	10 vnt
Pakuotės plotis	127 mm
Pakuotės gylis	515 mm
Pakuotės aukštis	80 mm
Paketo svoris	1,97 kg
Techninė informacija	
Atitikties sertifikatai	RoHS
Logistikos duomenys	
Darniosios sistemos (DS) kodas	85389099
Matmenys ir svoris	
Matmenys (I × P × A)	51,00cm × 14,00cm × 8,00cm
Svoris	1,97kg
