Pagrindinės savybės

- ✓ Truly all-in-one design, with electric lift 4K camera module and built-in microphone
- ✓ Dual Mode design, one key switching between UC Workstation mode and Teams Display mode
- ✓ one USB-C cable, providing PC with PD Power, USB-Network, USB-Hub, and extension screen
- ✓ Native Teams Display, an ideal hot desking solution. Supporting space management with Teams shared license.
- ✓ 23.8 in-cell matte multi-touch display. anti-glare, anti-reflection and anti-fingerprint coatings.
- ✓ Adjustable bracket, fit all scenarios

Aprašymas

The Yealink DeskVision A24 is a ideal solution for personal space, phone room, and hot-desking. It offers a premium communication experience with AI-powered audio & video capability. The 23.8-inch in-cell touch screen provides a superb experience for collaboration and meetings. With all that, it is a dual-mode device that allows the user to connect the pc used just a single USB-C cable and with one button switching to get the powerful UC Workstation features like senondary touchable monitor, USB Camera/Mic/Speakers, PD power, network, USB-Hub and wireless charging to your smart phone.

DeskVision A24 makes any desk handy for collaboration.
