Pagrindinės savybės

- ✓ Tinklo kartotuvas 600 Mbit/ai
- ✓ „Wi-Fi“ Viena juosta (2,4 GHz) 802.11a, 802.11b, 802.11g, Wi-Fi 4 (802.11n)

- ✓ Balta

Aprašymas

High speeds and amazing signal coverage

The FRITZ!Repeater 600 is the smallest member of the new FRITZ!Repeater family. Intelligent Mesh repeating makes it easy to extend your home network without sacrificing speed.

Mesh Wi-Fi with FRITZ!

The FRITZ!Repeater 600 supports Mesh Wi-Fi, meaning your videos, music and photos seamlessly reach every corner of your home, apartment or office. How does it work? The FRITZ! devices work together as part of a single network, communicating with each other and optimizing your devices and network usage.

With Mesh you can enjoy high speeds while surfing, streaming or gaming. Instead of waiting for breathtaking HD television and your favorite music, your media will wait for you.

Easy to install thanks to WPS

The FRITZ!Repeater 600 supports uncomplicated, automatic registration using the Wi-Fi Protected Setup (WPS) standard. Configuration is completed with the touch of a button: Repeaters and WPS-enabled routers, such as the FRITZ!Box, then connect automatically. The FRITZ!Repeater adopts the appropriate Wi-Fi settings and is ready for use immediately.

Wireless freedom

The FRITZ!Repeater 600 uses radio signals to bridge the distance to the router, something that used to require laying extra cables. In the 2.4-GHz network, up to 600 Mbit/s can be achieved.

Easy to operate and update

From the ideal placement to the optimum Wi-Fi channel: The repeater supports you with a LED, software wizards and a clear, user-friendly interface. The FRITZ!Repeater 600 also benefits from new features provided in free updates.

Secure encryption for your Wi-Fi network

The FRITZ!Repeater 600 supports secure WPA2 encryption, meaning it can establish secure connections to Wi-Fi networks of modern routers and your Wi-Fi is well protected.

Techninė specifikacija

Performance	
Type	Network repeater
Data transfer rate	600 Mbit/s
WPS push button	Yes
Network	
Networking standards	IEEE 802.11b, IEEE 802.11g, IEEE 802.11n
Wi-Fi	Yes
Wi-Fi standards	802.11a, 802.11b, 802.11g, Wi-Fi 4 (802.11n)
Wi-Fi band	Single-band (2.4 GHz)
Security algorithms	WPA2
Design	
Product colour	White
Power	
AC input voltage	230 V
AC input frequency	50 Hz
Power consumption (typical)	2 W
Weight & dimensions	

Width	63 mm
Depth	30 mm
Height	63 mm
Weight	88 g
Packaging data	
Package width	98 mm
Package depth	94 mm
Package height	96 mm
Package weight	140 g
Matmenys ir svoris	
Matmenys (l × p × a)	3,00cm × 6,00cm × 6,00cm
