Pagrindinės savybės

- ✓ Bluetooth v5.0 wireless audio streaming
- ✓ Bluetooth, USB playback, Optical, Aux and RCA inputs
- ✓ 5 EQ pre-sets and custom bass & treble adjustment
- ✓ Removeable speaker grilles for a contemporary look
- ✓ Wired connection between left and right speaker
- ✓ Full function remote control

Aprašymas

2.0 channel

With 2 channel stereo, your Sharp audio device creates a spatial sound experience. This allows you to hear a much richer, fuller, and more realistic sound.

Bluetooth

Use Bluetooth to wirelessly stream music to your Sharp audio device directly from devices such as your smartphone or tablet.

Equalizer (EQ) presets

The equalizer presets let you choose the sound that sounds best for you – and fits your music or entertainment style perfectly.

Digital optical-in

Receive audio signals in perfect digital quality: the prerequisites for this are provided by the connection for an optical digital cable. Works

interference-free even over long distances, for example if your TV or console is on a different level.

USB connection

USB playback compatible with MP3 (drives up to 32GB supported).

Remote control

Control your Sharp audio device from the comfort of your sofa using the remote control - whether its adjusting the volume, or changing the settings.

Wooden speaker enclosures

Using wood to build the speakers give them a traditional and elegant look, and it also aids in the sound performance. Wooden speakers provide a warm sound with minimal distortion - your audio will never sound richer.
