Pagrindinės savybės

- ✓ Maximum weight capacity: 8 kg
- ✓ Minimum screen size: 43.2 cm (17") Maximum screen size: 68.6 cm (27")
- ✓ Number of displays supported: 1
- ✓ Clamp/Grommet Mounting type: Desk
- ✓ Maximum VESA mount: 100 x 100 mm
- ✓ Manual Height adjustment
- ✓ Cable management
- ✓ Steel White

Aprašymas

The Neomounts DS60-425WH1 NEXT Lite is a full motion desk mount for screens up to 27" with a maximum weight capacity of 8 kg. The versatile tilt (120°), rotate (360°) and swivel (180°) technology allows you to adjust the mount to the optimal viewing angle for your screen. Additionally, the mount has manual height and depth adjustment to create the perfect working position.

Due to the short T-Rex® upper arm of the NEXT Lite, only minimal depth is required when placed near a wall or separation panel. This allows the screen to be positioned further away from the user which is better for the eyes and also leaves more space for good ergonomic working posture. The smart internal cable management system ensures orderly routing of the cables. The DS60-425WH1 is suitable for screens that meet VESA hole pattern 75x75 or 100x100 mm. Neomounts offers various optional VESA adapter plates for deviating hole patterns. The DS60-425WH1 is equipped with an Easy-release VESA system for easy installation and comes with both desk clamp and grommet.

The packaging of the NEXT Lite is 100% plastic free and entirely made from cardboard and paper.
