Aprašymas

Festa – A Networking Solution Built For Small Business, No IT Required

Festa offers business-class features with consumer-inspired simplicity. Our free cloud-based centralised management is accessible via the Festa app or web, providing essential features for small businesses without the complexity required by larger-scale operations.

Full Gigabit Port for Smooth Data Transmission Without Delay

Festa switches provide a combination of Gigabit RJ45 ports and SFP slots, suitable for various scenarios. With up to 36 Gbps of switching capacity, data transmission is faster and smoother.

VLAN for Security

Helps to create network with higher security and better overall performance by dividing network into smaller groups.
