Pagrindinės savybės

- ✓ **Dual platform support** This stand combines a monitor arm and a notebook tray, giving you space for both devices in one setup. It supports monitors up to 32" and 8 kg, and notebooks up to 17.3" and 5 kg
- ✓ **Ergonomic viewing height** Adjust your screens to the ideal height and angle for comfortable working. The flexible arms help reduce strain on your neck and shoulders during long hours at the desk
- ✓ **Notebook tray design** The open tray provides space for ventilation to keep your notebook cool. Non-slip silicone pads and adjustable claws hold it securely and protect it from scratches
- ✓ **Options for grommet and clamp mounting** Whether your desk uses a grommet or a clamp setup, this stand fits easily. It's suitable for most height-adjustable desks, adding stability without taking extra space
- ✓ **Cable management** An integrated cable clip keeps wires neatly arranged along the arms. This helps maintain a tidy and clutter-free workspace
- ✓ **VESA®** The stand supports both 75x75 mm and 100x100 mm VESA® plates. This makes it compatible with a wide range of monitors for flexible installation

Aprašymas

Dual platform support

IB-MS622-T combines a monitor arm and notebook tray in one clean solution, helping you to keep your workspace organized. It supports a monitor up to 32 inches and 8 kg, and a notebook up to 17.3 inches and 5 kg. Great for maximizing space on smaller desks.

Ergonomic viewing height

Raising your monitor and notebook to eye level helps improve posture and reduce neck and shoulder strain, especially during long work sessions. By positioning your screens at a comfortable height, the stand helps create a healthier setup that supports better focus and productivity throughout the day.

Notebook tray design

The open-frame tray design improves airflow and prevents your notebook from overheating during heavy use. Non-slip silicone pads guard against scratches, while the adjustable claws hold your notebook firmly in place. IB-MS622-T allows both protection and stability, even for larger or heavier notebooks.

Techninė specifikacija
