Aprašymas

PUT THE RS4000 ON THE FINGERS OF YOUR WORKERS TO IMPROVE PRODUCTIVITY AND ACCURACY IN YOUR OPERATIONS

Using Zebra's multi-modal solution, you can boost worker productivity by 15% — with 39% fewer errors than typical speech-only wearables. Pairing the WT6000 wearable computer with the RS6000 or RS4000 ring scanner, HS3100 or HS2100 headset and our TekSpeech Pro 4 software, give your workers the hands-free mobility they need to boost productivity to a new level.
