Pagrindinės savybės

- ✓ Multiple Color & Effects - Control 50 separate color zones and bring vibrant joy to your life.
- ✓ External Protection - Easy maintenance and extended lifespan thanks to PU coating.
- ✓ No Hub Required - Connect to your home's secure Wi-Fi network. No need for a hub or extra equipment.
- ✓ Flexible Installation - Cut it to whatever length you want and attach it to any surface with the 3M adhesive.
- ✓ Preset for Convenience - Found your favorite lighting for watching movies? Save it as a setting you can simply select for future movie nights.
- ✓ Schedule & Timer - Create schedules and count plans to turn on/off with the brightness/color you set.
- ✓ Away Mode - Simulate someone being at home to frighten away, unwanted visitors.
- ✓ Connect It Your Way - Use it with your smart assistant, a hub, or connect directly to the Tapo App. Control the Light Strip however you want.
- ✓ Voice Control - Use simple voice commands to control your light strip with Alexa or Google Assistant.

Aprašymas

Stunning Light Effects

Designed Your Way

Smart Wi-Fi Light Strip, Multicolor

Bright and Gorgeous Light

With our high-quality LED light leads, L920 light strip stands out, being 20% brighter and lasting 50% longer than other common products.

Color Your Life

Full color ambiance for every occasion

Fill any room of your house with over 16 million vibrant colors, warm white, or cool daylight to choose from as the mood takes you. Once you work out how you want your lighting set up, save it, schedule it, and you're ready to go! Set for your times and you can enjoy it.

Superior RGBIC

It's about better control and artistic expression.

Sense the Infinite Move Feeling via Enhanced Music Mode

L920-5 Light Strip captures the music going around it, syncing to the frequency and the beat.

Keep pace with the rhythm and get all your senses stirred up at a party!

Flexible, Tough and Clean

Enjoy the gentle glow and happy hues providing a soft transparent light. The flexible and water-resistant light strip ensures you can place it anywhere with easy redeployment. Our high-tech coating protects the LED beads and makes them easy to maintain.

Increased Vitality For Streamers

Want to be a YouTuber or Twitch streamer? Fill your studio with expressive lighting to enrich the scene and delight your followers.

Must-Have For Campers

L920-5 presents an opportunity to flex your creativity among nature. With an easy set-up, it's simple to change the position for every outdoor party.

Control With Your Voice

The Smart Wi-Fi Light Strip can respond to your preferred smart home platform, including Google Assistant and Amazon Alexa. You can also control it via Siri® Shortcuts.

Direct Control

All Tapo Smart Wi-Fi Light Strips let you connect directly to the Tapo App. Take full advantage of all the intelligent features you demand.

Automatic Control

Let the light strip guide you through the night. Connect to the Tapo Sensor and glow softly as you get up in the night. It will turn itself off after a short period of time without disturbing others.
