Aprašymas

The THORNE gaming monitor stand is a smart desk organizer that is designed to let you say 'goodbye' to a messy workspace, while adjustable RGB color effects create a stunning gaming atmosphere. Rather than setting your monitor directly on the desktop, this high-quality stand elevates it to an ergonomically correct eye position, while providing additional workspace and increased storage area, decreasing desktop clutter. Reduce eye and neck strain while working smarter in a more organized environment.

Equipped with phone stand for convenient mobile device placement while working or gaming.

A hidden drawer helps to neaten your desk by holding small gadgets or office supplies. A true must-have device for the desk or gaming station!
