Aprašymas

Ergonomic gas spring technology for stepless height adjustment
Sturdy aluminum construction with additional bar for elevated positioning
Removable VESA plate for quick and easy installation
Integrated cable management for a tidy work surface
Flexible adjustment through tilt, swivel and rotation function

The InLine® desktop mount with lifter is the ideal solution for professional workstations, system integrators and resellers who require flexible and ergonomic screen positioning. With the high-quality gas spring technology, the monitor arm enables infinite adjustment so that monitors can be

individually aligned. The robust aluminum construction with an additional bar ensures stability and increased positioning of up to 30 cm. Installation is particularly easy thanks to the removable VESA plate. The integrated cable guide keeps your desk tidy, while the flexible swivel arm ensures comfortable operation. Suitable for monitors from 17 to 32 inches and with a maximum weight of 9 kg per screen, this mount offers a wide range of applications in modern office environments.
