Pagrindinės savybės

- ✓ 12-digit semi-desktop calculator
- ✓ Stylish design and large LCD angled display
- ✓ Dual powered (battery and solar)
- ✓ Mark up, reverse and grand total memory function

Aprašymas

The AS-120 II is a desktop calculator with a 12-digit upright angled display. It also supports mark-up and reverse functions. The impressive grand total memory function means your complex calculations are made easy by saving up the subtotals after each calculation and computing the accumulated totals with a single touch. Some parts of the AS-120 II calculator have been manufactured from recycled Canon product material.
