Pagrindinės savybės

- ✓ Bass reflex speakers
- ✓ Bluetooth® 5.4
- ✓ 80 W
- ✓ DAB+/FM, CD, USB, Audio-in

Aprašymas

All your music, loud and proud!

DAB+/FM radio, CDs, streaming and more! This compact micro system with bookshelf-style speakers fills larger rooms with rich, 80 W sound—and Auracast™ is supported so that you can broadcast what you play to compatible speakers around the house.

Powerful stereo sound for everything you love

Get lost in music! Bookshelf-style 2 way speakers give you rich, immersive stereo sound from 4" woofers, 0.75" tweeters and bass-reflex ports. The system's powerful 80 W (RMS) output lets you pump up the volume for a party or a larger room. Perfect for big lounges and open-plan living spaces.

Plays all of your music

Music, podcasts, news, dramas, sports—the list is endless! You can tune in to crystal-clear DAB+/FM radio, stream your sounds via Bluetooth, or connect to other sources like flash drives via USB or turntables via audio-in. The digital radio tuner with 20 presets delivers crystal-clear reception, and the CD player can read MP3 CDs and recorded CDs.

Bluetooth® 5.4 and Auracast™ streaming at home

Support for Auracast™ lets you broadcast the sound from this micro system to multiple Auracast™ compatible speakers around the house. Plus, Bluetooth® LE Audio and the LC3 codec are supported so you'll enjoy noticeably better sound when streaming from your smart device to the micro system.

Philips Entertainment app. Simple sound control

Got wide-ranging tastes? You won't even have to get out of your chair to get the best sound for what you're listening to! Download our companion app and you can use your smart device to select preset sound styles from the Digital Sound Control menu, switch between sources and more.

GRS-certified recycled plastic. Responsible packaging

We use post-consumer recycled plastics in this product and our packaging is plastic-free. Inserts are printed on recycled paper with soy-based ink, and the packaging itself is made from FSC-certified recycled cardboard.

Compact and classic stereo design

With its subtly two-toned central unit and speaker cabinets, this handsome micro system recalls the design of classic hi-fi separates. The compact build makes the system easy to position in your home, and there are buttons on the front of the unit for playback and source selection.

Techninė specifikacija

Specifications	
Sandėlio grupė	Entertainment Electronics > Speaker/Audio Systems [+1148][-646]
Design	
Type	Home audio micro system
Product colour	Black, Dark Grey
