Aprašymas

Lexar microSDXC memory card, 256GB (SD3.0)

The Lexar® BLUE PLUS microSDXC™ UHS-I card is a versatile solution designed for smartphone, tablet, and action camera users. With 256GB of storage, the card enables fast recording, playback, and transfer of multimedia, including Full HD and 4K UHD video. With a V30 speed class and UHS-I interface, the card delivers the performance needed to support advanced applications and smooth operation in a variety of mobile scenarios.

Unmatched data transfer speed

The 256 GB model offers an impressive read speed of up to 170 MB/s, which significantly reduces file transfer times and improves overall device responsiveness. Thanks to the use of advanced technologies, the card can handle intensive use and large multimedia files, supporting the user in work and entertainment without unnecessary delays. To achieve maximum performance, it is recommended to use dedicated Lexar USB 3.1 readers.

Optimization of mobile applications

With an A2 application performance rating, the card is ideal for expanding the internal memory of mobile devices. It allows for fast application launch and smooth use of games, tools, and social media without downtime or delays. It is the ideal solution for those who expect the responsiveness of built-in memory, regardless of how intensively they use their smartphone or tablet.

Durability and reliability in all conditions

The card has been tested for eight critical durability factors, including resistance to temperature, water (IPX7), X-rays, vibration, magnetic fields, shock, drops from heights of up to 1.5 m, and connector wear. The set also includes lifetime access to the Lexar Recovery Tool, which allows you to recover accidentally deleted data.

Included

- Lexar microSDXC memory card, 256GB (SD3.0)

Manufacturer	Lexar
Model	LMSBLPL256G-BNANG
Memory type	microSDXC
Capacity	256 GB
Read speed	170MB/s1
App performance	A2
Speed class	V30
Interface	UHS-I
Operating temperature	0°C to 70°C (32°F to 158°F)
Storage temperature	-25°C to 85°C
Resistance class	IPX7
Dimensions (W x L x H)	11 mm x 15 mm x 1 mm
Weight	0.25g

base_xml: 1, Memory card type: Micro SD, Capacity (GB): 256, GPSR Link: https://psr-assets.innpro.pl/gsm_accessories/sg_gsm_accessories_memory_cards.pdf, Gross weight: 10, Net weight: 5, Box length: 14,00, Box width: 10,50, Box height: 0,50, GARAN: <https://garan.innpro.pl/lexar/843367139118>
