Aprašymas

Everything your child needs to start playing.

Making learning fun.

Featuring a wide range of beautiful sounds only Yamaha could create, an automatic accompaniment function that exposes your child to different styles of music, a keyboard specifically designed for their smaller hands, and a preset library of famous tunes, the PSS-F30 is full of fun stuff to help them learn.

They'll be proud of what they discover.

When they strike their first note, children light up with excitement. As they experiment more and more, they'll discover beautiful combinations of notes to share with you. They experiment, discover, all the while learning and developing a musical part of their personality. The PSS-F30 is the

spark of their creative flame!
