Aprašymas

A Flip within everyone's reach

Our one-of-a-kind smartphone, now ready for everyone to make their own. Galaxy Z Flip7 FE takes the unique Flip design and combines it with the high-performing features of our premium smartphones — fitting a pro-grade camera, expansive displays and long-lasting battery right in your pocket.

Compact design with big impact

With its sleek form and compact size, Galaxy Z Flip7 FE is designed to be pleasingly pocketable. Unfold it to experience the full-size screen with all the features and functionality of a premium smartphone, combining convenience with versatility in a single design.

50MP camera for selfies

Capture richer, more detailed selfies directly from the Cover Screen. The high-resolution 50MP camera, boosted by ProVisual Engine, delivers clear images with true-to-life details and accurate skin tones.

Flex your best angles

The camera on Galaxy Z Flip7 FE automatically detects low light with Nightography, cleaning up noise and increasing sharpness even in the shadows. Tap the Dual Preview button and the Cover Screen shows your subject a preview for easy framing and posing.

The FlexCam stands on its own — literally. Put Galaxy Z Flip7 in FlexMode to capture scenes hands-free, or go camcorder-style with one-handed controls.

Personalized briefings with Now Brief

Receive a personalized summary of your day from Now Brief. Tailored insights, such as the latest weather and Energy Score, are all available at just a glance.

Ask Gemini about what you see

Speak freely and naturally with Gemini Live to get information in real time. Ask Gemini what symbols mean and get washing instructions for clothes, or get information about a restaurant you saw while walking by. Share your world through the camera to ask for advice or ideas.

Incredible views, inside and out

The 4000mAh battery is optimized by the powerful processor for more hours of entertainment on the Main Screen. Measuring at 6.7" with a max brightness of 2600 nits, this immersive display stays detailed and clear, any time of day.

Storage for everything you need

Keep all your treasured moments with 8GB of memory and a choice of two storage options. Choose up to 128GB of storage if you like to take photos and stream videos. Or, go even bigger with up to 256GB of storage if you're an avid gamer, record longer videos or download larger apps.

Techninė specifikacija

Display	
Display diagonal	17 cm (6.7")

Display resolution	2640 x 1080 pixels
Display technology marketing name	Dynamic AMOLED 2X
Gorilla Glass version	Gorilla Glass Victus 2
Maximum refresh rate	120 Hz
Second display diagonal	8.64 cm (3.4")
Second display resolution	720 x 748 pixels
Second display type	Super AMOLED
Second display refresh rate	60 Hz
Second display Gorilla Glass version	Gorilla Glass Victus 2
Processor	
Processor family	Samsung Exynos
Processor model	2400
Processor architecture	ARM Cortex-X4+Cortex-A720+Cortex-A520
Processor cores	10
Processor boost frequency	3.36 GHz
Storage
