Aprašymas

The Neomounts NSLS050 laptop stand is a great choice if you want maximum viewing comfort for your laptop. This high quality stand is made of brushed aluminum and suitable for most 10-17" laptops.

By using an ergonomic stand like the Neomounts NSLS050 a more comfortable working position is easily created and neck- and back complaints avoided. The hollow design ensures a good air flow, reducing any over-heating problems. With the 360 degrees rotatable base you can turn the laptop in the required direction in just seconds.

The non-slip silicone feet and laptop rest increases the stability and prevents scratching. On the back of the product there's a cable hole to neatly organize your cables. The NSLS050 laptop stand is ideal for use in (home) offices, on counters, DJ booths or reception areas.
