- ✓ Number of displays supported: 2
- ✓ Clamp Mounting type: Desk
- ✓ Maximum VESA mount: 100 x 100 mm
- ✓ Manual Height adjustment Tilt adjustment
- ✓ Cable management
- ✓ Steel Black

Aprašymas

The Neomounts desk mount, model FPMA-D960DVBLACKPLUS is a tilt-, swivel and rotatable desk mount for two screens up to 49". This mount is a great choice for space saving placement on desks using a desk clamp.

Neomounts versatile tilt (180°), rotate (180°) and swivel (180°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the curved screen. An innovative cable management conceals and routes cables from mount to curved screen. Hide your cables to keep the workplace nice and tidy.

The weight capacity of this product is 15 kg each screen. This monitor arm is therefore extremely suitable for widescreens and curved screens. The

desk mount is suitable for screens that meet VESA hole pattern 75x75 or 100x100mm. Different hole patterns can be covered using Neomounts VESA adapter plates.

By using an ergonomic mount neck- and back complaints can be avoided. Ideal for use in offices and on counters or in a reception area.

All installation material is included with the product.

Techninė specifikacija
