Pagrindinės savybės

- ✓ Maximum weight capacity: 9 kg
- ✓ Minimum screen size: 43.2 cm (17") Maximum screen size: 88.9 cm (35")
- ✓ Number of displays supported: 1
- ✓ Clamp/Grommet Mounting type: Desk
- ✓ Maximum VESA mount: 100 x 100 mm
- ✓ Gas spring Height adjustment Tilt adjustment
- ✓ Cable management
- ✓ Aluminium Silver

Aprašymas

The Neomounts DS70-250SL1 NEXT Slim is a full motion desk mount designed for screens up to 35", boasting a maximum weight capacity of 9 kg suitable for both flat and curved displays. The versatile tilt (90°), rotate (360°) and swivel (180°) technology enables seamless adjustment to any desired viewing angle to fully optimize the screen's capabilities. With the gas spring height adjustment (21,5-49,5 cm) and depth adjustment (7-52,5 cm) you can effortlessly adjust the mount to suit your ergonomic needs.

The DS70-250SL1 monitor arm features a nifty 180° stop mechanism, that prevents the mount from making contact with wall or separation panel when installed near it, while the integrated cable management system maintains a clutter-free desk.

The elegant black VESA plates of the NEXT Slim provide a perfect match with your screen, accommodating standard 75x75 or 100x100 mm VESA patterns. For non-standard hole patterns, Neomounts has various VESA optional adapter plates available. The Quick-release VESA system enables easy setup, while the topfix clamp or grommet ensures a quick and straightforward installation.

Committed to sustainability, the packaging of NEXT Slim desk mounts is 100% plastic-free and entirely made from recyclable cardboard and paper.
