Engineered for durability without adding weight, this case features a flexible tray with wrap-around bezel and reinforced corners, structured front and back covers, and a soft lining inside that safeguards your device screen from scratches.

Enjoy added efficiency with an integrated loop for your Apple Pencil® or stylus (Pencil sold separately by Apple®). Altogether, the Click-In Case is a superior choice for protecting your iPad.

Minor drops and bumps are no problem for this sturdy, structured case. In fact, the Click-In™ passes rigorous MIL-STD 810G testing* to ensure it can

protect your iPad® from drops up to 4 feet (or 1.2 metres) when secured with the elastic band.

Full Access, Full Functionality

A full-coverage, flexible tray with reinforced corners allows access to all ports, buttons, and controls. Precision cut-outs ensure the camera is accessible for photos or videos without removing your iPad from the case.
