The Ceramic Protection from PanzerGlass® is 5 times stronger than our previous best, capable of withstanding a 320 g steel ball dropped from 2.5 meters without breaking. Made from certified Japanese glass-ceramics by Ohara. It's one of the most scratch-resistant materials in the world. The transparency of this screen protector is exceptional, thanks to Ohara's nano-crystallization technology, ensuring your display remains crystal clear. Plus, the smudge-free coating reduces fingerprints and grease, keeping your screen pristine.

The premium Ceramic Hoops® camera lens protector offers the same top-tier durability and clarity for your camera lenses. Crafted with the same Japanese glass-ceramics, it provides robust protection against scratches and cracks, ensuring that your photos and videos are never compromised.

Installation is hassle-free. The screen protector comes with an EasyAligner that makes installation a breeze. Finish the look by clicking on the Hoops® and the Kickstand Case.
