Everybody deserves to be SAFE. Without hassle, red tape, or unnecessary complexity. This screen protector comes with an EasyAligner that makes installation a piece of cake (seriously!) and to make it even easier, we've included step-by-step instructions as well as a QR code for quick access to our online how-to video. And remember: You just need to install the screen protection once! Then you'll never again fear the sight of your phone tumbling to the ground screen first.
