Pagrindinės savybės

✓ Qi compatible = Compatible with Qi technology.

Aprašymas

Slimfit for heavy-duty protection without the bulk!

Introducing our thinnest case ever: SL1M. The new super-slim CARE™ by PanzerGlass® case for Samsung phones is a mere 1 millimeter thick – that's it! And yet, it's still Qi compatible and features enhanced camera protection. Made of 100% recycled plastic, this case is treated with our unique Nanotech-enabled smart coating that's sweat and make-up resistant. It also comes with our 1 year anti-yellowing guarantee. So say good-bye to bulky covers that yellow with time and say hello to slim-fitting, heavy-duty protection that keeps your lifeline to the world safe from drops, shocks, and scratches without hiding your phone's beautiful, sleek design behind a clunky case.

DARE TO CARE

CARE™ is a playful and protective international tech and lifestyle brand featuring a range of products created using the highest quality materials and influenced by fashion, art, and music. We care about people and the world we live in. We care about sustainability and self-expression. And we care about tech and extending its lifetime. So protect your tech in style and show the world you CARE.
