Aprašymas

"The Equip 650170 17"-32" Single Monitor Wall-Mounted Workstation is a space-saving and ergonomic solution for creating a streamlined and efficient workspace. Designed to support monitors ranging from 17 inches to 32 inches in size, this wall-mounted workstation is ideal for those who want to free up desk space and customize their viewing setup.

Featuring a sturdy and adjustable design, the wall-mounted workstation allows you to position your monitor at the desired height and angle for optimal comfort and productivity. This is particularly useful in environments where floor space is limited, such as offices, studios, or home offices.

Installation is typically straightforward, and the mount is compatible with various wall surfaces. The single-arm design provides flexibility in adjusting the monitor to your preferred viewing position. Additionally, integrated cable management helps keep your workspace tidy by organizing and

concealing cables."
