Aprašymas

The 32"-60" Dual TV Ceiling Mount is a space-saving, professional display solution designed to support two side-by-side flat-panel TVs or monitors. Ideal for digital signage, advertising and information displays in retail stores, airports, restaurants, lobbies and meeting areas, it accommodates screens from 32 to 60 inches with compatible VESA mounting patterns. Sturdy steel construction provides stability and durability even in high-traffic environments. The telescopic pole and tilt mechanism allow flexible height and angle adjustment, while 360° rotation around the pole and freely angling and swiveling functions help you achieve optimal viewing from different directions. An integrated cable management system conceals and organizes wires for a clean, sleek installation.
