Pagrindinės savybės

- ✓ High performance: This 4-port USB 3.2 Gen 2 hub offers a data transfer rate of up to 10 Gbit/s on each of the four ports, ideal for fast data transfers
- ✓ Versatile connection options: Users can choose between two classic USB-A and two modern USB-C ports, which can be put into operation immediately via plug & play
- ✓ Connect & play: Simply plug in and get started straight away, without the hassle of installation, the ports are ready for use immediately
- ✓ Notebook power supply: The hub supports USB Power Delivery via USB-C, allowing a connected notebook to be charged with up to 100 W
- ✓ Modern: Combines familiar USB technology with modern USB-C connections to offer versatile usage options. Windows and macOS operating systems are supported

Aprašymas

Elegant design

The IB-HUB1436-CPD offers not only functionality but also a stylish design. The high-quality aluminium housing with a matt finish is a real eye-catcher. Robust, durable and reliable, it does its job in the modern office.

Integrated cable

Thanks to the integrated 30 cm cable, the hub can be connected immediately. No searching for the right connection, no forgetting the necessary cable. A practical feature is the simultaneous charging option for a connected notebook via the Type-C® interface with up to 100 watts via Power Delivery.

50:50

The golden mean of the interface selection with two USB Type-C® and two USB Type-A connections makes this hub so versatile in everyday use with

different end devices that have either the tried-and-tested A connection or the modern C connection. This makes it ideal for the office and living room.
