Pagrindinės savybės

- ✓ Dual display support: fits two 13–32" monitors
- ✓ Mounting options: desk clamp or grommet
- ✓ Max load capacity: 10 kg
- ✓ Max VESA: 100×100 (75×75 compatible)
- ✓ Full motion: tilt, swivel, and 360° rotation
- ✓ Height adjustment for ergonomic alignment
- ✓ Integrated cable clips for tidy routing
- ✓ VESA standards compliant for quick fit

Detachable VESA Plate
enables easy installation

Fine-Tuning Height Adjustment
for a customized view and better viewing experience

Clamp / Grommet Base
allows to fit through the different desktops

Aprašymas

The 17"–32" Articulating Dual Monitor Desk Mount is a versatile and ergonomic solution designed to support two monitors while enhancing comfort and workspace efficiency. Compatible with monitors ranging from 17" to 32", it supports most flat and curved displays with standard VESA mounting patterns, making it ideal for offices, home workstations, trading desks, and creative environments.

Each monitor arm features a fully articulating design that allows smooth adjustment of height, tilt, swivel, and rotation. This independent adjustability enables precise screen positioning, helping users achieve optimal viewing angles and reduce neck, shoulder, and eye strain during long working or gaming sessions. Both portrait and landscape orientations are supported, offering flexibility for multitasking, coding, document review, or content creation.

Techninė specifikacija
