Aprašymas

"The Equip 650631 60""-100"" Eco Ultra-large Display TV Cart is a versatile and mobile solution designed to accommodate large TVs ranging from 60-100"" and loading capacity up to 100kg. This TV cart combines durability with eco-friendly materials, offering a sustainable option for displaying your ultra-large screen TV.

Constructed from high-quality, environmentally-friendly materials, the TV cart ensures stability and durability while minimizing its carbon footprint. Its sturdy construction can safely support heavy TVs, providing a secure platform for your display.

Solid base provides additional security by removing the possibility of tripped over and ensures reliable performance for years of use. Locking casters make TV carts easy to move and stop for. Internal cable management hides wires from view to keep a clutter-free appearance. Ideal for

conferencing, public displays or other professional presentation."
