Pagrindinės savybės

- ✓ Elegant design with enhanced computing power
- ✓ 13th Gen Intel® Core™ i5-1335U Processor
- ✓ Intel® Iris® Xe Graphics , 96EU, 1.25GHz
- ✓ Super Fast 2.5G LAN + Wi-Fi 6 Module
- ✓ 4 x 4K Module - 2 x HDMI 2.1 and 2 x USB Type C with DP alt mode
- ✓ 2 x USB 3.2 Gen2 , 2 x USB 2.0 Ports
- ✓ Low Noise
- ✓ VESA Support

Aprašymas

Upgrade to the future

Minimalism meets power

The most recent generation of mainstream BRIX products adopts an all-new chassis design. Computing performance has increased, but the design does not require an increase in the size of the chassis. Its appearance has curved, soft, and twisted lines with a liveliness that makes it very unobtrusive.

By the way it was assembled and layered, and designing oblique angles around the base, a sense of simplicity is created to achieve a lightweight design. This allows users to enjoy ultimate computing performance while also having a stylish and elegant product.

With the latest 13th Gen Intel® Core™ Mobile Processors, Intel has taken its hybrid design to the next level. The new processors boast more powerful Performance-cores (P-cores), allowing for swift and seamless completion of tasks. The improved Efficient-cores (E-cores) enable even better

multi-tasking, making it easier to tackle several tasks at once. These advanced processors also deliver stunning graphics and unparalleled connectivity, providing an unparalleled immersive display and lightning-fast wired and wireless connections.

Computing with ultra efficient multi-tasking

Up to 10 cores (2 P-cores, 8 E-cores) and enhanced Intel Thread Director.

Intel Iris X^e Graphics

Render in the background while editing video; enjoy responsive HD gaming while streaming music; or game, stream and record at once.

Amazing End-to-End Connectivity with Wi-Fi 6

Nearly a threefold improvement in throughput speed allows for fast uploads and downloads at low latency. Intel® Wi-Fi 6 (Gig+) gives you the freedom to work and learn from anywhere—and relax with smooth, high-quality streaming.

Delivering Superior Performance Where You Need It Most

You can save time and enhance the quality of your computing experience by utilizing built-in intelligence. Enjoy features like low noise operation while collaborating and automated text, image, and audio improvements while creating. In addition, enjoy system optimization for bandwidth and video resolution while gaming on the go.

Techninė specifikacija

Specifications	
Sandėlio grupė	PC-Systeme [+1197][-113]
Processor	
Built-in processor	Yes
Processor manufacturer	Intel
Processor family	Intel® Core™ i5
Processor generation	13th gen Intel® Core™ i5
Processor model	i5-1335U
Processor cores	10
Processor threads	12
Processor boost frequency	4.6 GHz
Performance cores	2
Efficient cores	8
Processor cache	12 MB
Thermal Design Power (TDP)	15 W
CPU configuration (max)	1
Memory	
Memory slots type	SO-DIMM
Number of memory slots	2
Maximum internal memory	64 GB
Supported memory clock speeds	3200 MHz

Supported memory types	DDR4-SDRAM
Storage	
Supported storage drive types	HDD & SSD
Storage drive sizes supported	2.5"
SSD form factor	M.2
Storage drive interface	PCI Express, Serial ATA III
Graphics	
On-board graphics card	Yes
Graphics card family	Intel
On-board graphics card model	Intel Iris Xe Graphics
Network	
Ethernet LAN	Yes
Wi-Fi	Yes
Top Wi-Fi standard	Wi-Fi 6 (802.11ax)
LAN controller	Intel I226-V
Bluetooth	Yes
Bluetooth version	5.2
Ports & interfaces	
USB 2.0 ports quantity	2
HDMI ports quantity	2
Ethernet LAN (RJ-45) ports	1
USB 3.2 Gen 2 (3.1 Gen 2) Type-A ports quantity	2
USB 3.2 Gen 2 (3.1 Gen 2) Type-C ports quantity	2
HDMI version	2.1
Combo headphone/mic port	Yes
DC-in jack	Yes
Design	
Product colour	Black
Product type	Mini PC barebone
Cable lock slot	Yes
Cable lock slot type	Kensington
VESA mounting	Yes
Panel mounting interface	75 x 75,100 x 100 mm
Software	

Windows operating systems supported	Windows 10, Windows 11
Power	
Power supply	135 W
AC input voltage	100 - 240 V
AC adapter output voltage	19.5 V
AC adapter output current	6.92 A
Operational conditions	
Operating temperature (T-T)	0 - 35 °C
Storage temperature (T-T)	-20 - 60 °C
Weight & dimensions	
Width	124 mm
Depth	120 mm
Height	49.7 mm
Matmenys ir svoris	
Svoris	1,72kg
