Aprašymas

Product information "Magnetic phone grip with LED light, BT 5.2, camera release, MagSafe compatible" from LogiLink

This magnetic smartphone holder is the ideal solution for anyone who wants to take professional shots with their smartphone. Thanks to the improved grip and integrated camera shutter release, it enables convenient one-handed operation. The included remote control provides additional flexibility. The holder supports both landscape and portrait shots and is compatible with all smartphones, including MagSafe. An LED and microphone holder is also integrated, as well as a 1/4" tripod thread. With a maximum charging weight of 300 g, the holder also holds heavier smartphones securely.
