Aprašymas

Product information "Magnetic, extendable selfie stick, BT 5.0, MagSafe-compatible, 86 cm, black" from LogiLink

This versatile selfie stick is the ideal companion for anyone who likes to take photos and videos on the go. With a non-slip grip and integrated recording button, it offers optimum comfort and control. It is compatible with smartphones from 4.1 to 7 inches and can be rotated 360°, perfect for taking pictures from any angle. The extendable pole reaches a length of up to 86 cm, ideal for group photos or breathtaking landscape shots. Thanks to MagSafe compatibility and the detachable, wireless remote control, taking photos is child's play. The LED display provides information about the shooting mode and charging status. Made of sturdy aluminum alloy and ABS, this selfie stick is both lightweight and durable.
