Aprašymas

Product information "Hot glue gun, 20W, black" from LogiLink

This hot glue gun, which is ideal for DIY enthusiasts, has a low weight, a comfortable grip and a built-in stand, making it easy to use. The insulated nozzle allows precise application on any project you're working on – an ideal tool for a wide-range of craft and repairs. Whether it's for glueing, sealing and filling joints, or for craft and decoration projects around the house, within 3-5 minutes LogiLink's hot glue gun is ready to help you with your work.

Your Perfect DIY Companion

This hot glue gun, great for DIY enthusiasts, is light weight, with a comfortable grip and a built-in stand making it easy to use. The insulated nozzle allows for precise application on whatever project you are working on —an ideal tool for a wide-range of crafts and repairs

Glue Everything

All purpose glue gun suitable for gluing, sealing joints, and filling gaps, as well as for crafts and decoration projects around the house.

Ergonomic and Safe Design

Compact and light weight design with a built-in stand that allows the glue gun to retain a stable upright position; also includes enhanced safety features such as an insulated nozzle and safety fuse.

Easy to Use

Simply pop in a glue stick, warm it up for 3-5 minutes, then gently pull the trigger and start gluing.

Techninė specifikacija
