moving around your home

### 2 × 2 MIMO

Establishes multiple simultaneous connections for you to enjoy higher powerline speeds and greater stability

### One-Touch Wi-Fi Configuration

One press of the Wi-Fi button copies the network name and password from your router. Any setting changes will be automatically applied to the entire Powerline network

### Wi-Fi Auto-Sync

Add additional extenders to your powerline network by pair button, uniformly sync settings such as SSID, password, Wi-Fi Schedule and LED Schedule for all network devices

### Plug and Play

Set up your powerline network and start enjoying fast, seamless wired/wireless connections in minutes

### Extra Power Socket

Get power from the outlet for your other devices with the integrated power socket

### 3 × Gigabit Ports

Provide secure wired networks for desktops, smart TVs or games consoles
