Aprašymas

The HP OneShred 16MC is the most powerful micro-cut shredder in the HP OneShred series, with a cutting capacity of 16 A4 sheets. In micro cut, this modern helper in black and white design shreds sensitive documents such as patient files and process documents into 2 mm x 15 mm small clippings. The reliable office shredder thus meets the high requirements of security level P-5 and guarantees legally compliant destruction of personal documents. This makes it an indispensable companion in open-plan offices, law firms and medical practices. Should you ever forget to switch off the document shredder after use, it will automatically delploy sleep mode status after 30 minutes with a power consumption of less than 0.5 watts.
