Aprašymas

Private messages. Bank details. Pin codes. With this privacy screen protector from PanzerGlass®, your personal info is safe from the prying eyes of people sitting next to you on the train, in the coffee shop or at the office. The specially designed privacy filter renders the content of your screen virtually invisible to everyone except you. It also has a smudge-free coating that reduces traces of fingerprints and grease to give you a clear – but still private – view of your screen.

And the screen protection? It's outstanding! With 3x higher scratch resistance than previous privacy models, this screen protector keeps your phone screen safe from accidental bumps, crushing falls and other hazards of everyday life. Or to put it in more sustainable terms: It protects and prolongs the lifetime of your phone, thereby postponing the need to produce new phones. This is one way of working toward a more sustainable future. Another is to use less packaging: For this screen protector, we have reduced the paper packaging by 33%* compared to previous models. This product comes in a recyclable FSC™-certified box.

The screen protector comes with an EasyAligner that makes installation a piece of cake (seriously!), and to make it even easier, we've included step-by-step instructions as well as a QR code for quick access to our online how-to video. And remember: Once the screen protection is applied, you'll never again fear the sight of your phone tumbling to the ground screen first. This may not happen, but if it does, you'll regret not having clicked "add to cart".

The screen protector is Ultra-Wide Fit, meaning it covers the front surface of your phone to provide superb screen protection and a complete screen view, while still leaving a little room around the edges for a PanzerGlass® case. If you want 360-degree phone protection, combine the screen protector and case with a PanzerGlass® PicturePerfect camera lens protector.

*Measured by comparing the mass of the 2023 paper packaging with the mass of the 2022 paper packaging. Measurements performed by third-party lab (CPRTC, report No. ZSA20231301-0016).
