### Features

|                                |                                                                                                   |
|--------------------------------|---------------------------------------------------------------------------------------------------|
| Internal memory                | 8 GB                                                                                              |
| Memory layout (modules x size) | 1 x 8 GB                                                                                          |
| Internal memory type           | DDR4                                                                                              |
| Component for                  | NAS/storage server                                                                                |
| Memory form factor             | 288-pin DIMM                                                                                      |
| Memory clock speed             | 3200 MHz                                                                                          |
| Buffered memory type           | Unregistered (unbuffered)                                                                         |
| Compatible products            | TS-1655, TS-855X, TS-432PXU, TS-432PXU-RP, TS-832PXU-RP, TS-832PXU-RP, TS-1273AU-RP, TS-1673AU-RP |
