### Pagrindinės savybės

- ✓ Lithium-Ion (Li-Ion)
- ✓ 1600 mAh 11 Wh
- ✓ Purpose: Camera
- ✓ 7.4 V
- ✓ Black

### Techninė specifikacija

#### Specifications

Sandėlio grupė Energy Supply > Accumulators/Batteries [+1065][-528]

#### Battery

|                         |                                                                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Battery technology      | Lithium-Ion (Li-Ion)                                                                                                                  |
| Battery capacity        | 1600 mAh                                                                                                                              |
| Purpose                 | Camera                                                                                                                                |
| Compatible products     | Konica Minota a-5, a-7, A1, A2, Dynax 5D, Dynax 7D, Maxxum 5D, Maxxum 7D, A1, A2; Pentax K10D, K20D; Samsung GX-10, GX-20; Sigma SD14 |
| Battery voltage         | 7.4 V                                                                                                                                 |
| Battery capacity        | 11 Wh                                                                                                                                 |
| Product colour          | Black                                                                                                                                 |
| Number of battery cells | 2                                                                                                                                     |

#### Weight & dimensions

|                             |          |
|-----------------------------|----------|
| Width                       | 39 mm    |
| Depth                       | 55 mm    |
| Height                      | 20 mm    |
| Weight                      | 73 g     |
| Packaging data              |          |
| Quantity per pack           | 1 pc(s)  |
| Package width               | 54 mm    |
| Package depth               | 70 mm    |
| Package height              | 31 mm    |
| Logistics data              |          |
| Harmonized System (HS) code | 85065090 |
