Aprašymas

The equip® 650140 is a heavy-duty 17-49" single monitor wall mount that supports sizes from standard displays to ultra-wide curved screens. Steel construction gives strength and durability for professional and home setups while freeing valuable desk space.

A gas-spring arm delivers smooth height and angle changes, with 360° rotation and free tilt to reach the ideal viewing position. A built-in spring tension gauge matches the arm to your monitor's weight, and it holds up to 20 kg on VESA patterns up to 200×200 mm.

A slide-in wall plate makes attaching and detaching quick, integrated clips keep cables tidy, and all mounting hardware is included.
