## Pagrindinės savybės

- ✓ Verslui Kompiuterizuotos darbo vietos Juoda 260 W
- ✓ Intel Core Ultra 7 265 Procesoriaus branduoliai: 20
- ✓ 32 GB DDR5-SDRAM 1 x 32 GB
- ✓ 1 TB SSD
- ✓ NVIDIA RTX A1000 8 GB „Intel Graphics“
- ✓ Ethernet LAN jungtis 10,100,1000 Mbit/ai
- ✓ Windows 11 Pro 64 bitų

## Aprašymas

Handle the most demanding applications with Dell Precision tower and rack workstations-the world's #1 workstations featuring powerful processors, advanced graphics, and ISV certification.

## Techninė specifikacija

### Processor

|                                         |                                                |
|-----------------------------------------|------------------------------------------------|
| Processor family                        | Intel Core Ultra 7                             |
| Processor manufacturer                  | Intel                                          |
| Processor model                         | 265                                            |
| Processor generation                    | Intel Core Ultra (Series 2)                    |
| Processor cores                         | 20                                             |
| Processor threads                       | 20                                             |
| Processor boost frequency               | 5.3 GHz                                        |
| Performance cores                       | 8                                              |
| Efficient cores                         | 12                                             |
| Low Power Efficient-cores               | 0                                              |
| Performance-core Max Turbo Frequency    | 5.2 GHz                                        |
| Efficient-core Max Turbo Frequency      | 4.6 GHz                                        |
| Performance-core base frequency         | 2.4 GHz                                        |
| Efficient-core base frequency           | 1.8 GHz                                        |
| Processor cache                         | 30 MB                                          |
| Processor cache type                    | Smart Cache                                    |
| Processor base power                    | 65 W                                           |
| Maximum turbo power                     | 182 W                                          |
| Neural processor unit (NPU)             |                                                |
| Neural processor unit (NPU)             | Intel AI Boost                                 |
| Sparsity support                        | Yes                                            |
| Windows Studio effects support          | Yes                                            |
| AI software frameworks supported by NPU | DirectML, OpenVINO, Windows ML, ONNX RT, WebNN |
| Total processor performance up to       | 33 TOPs                                        |
| NPU performance up to                   | 13 TOPs                                        |
| GPU performance up to                   | 8 TOPs                                         |
| Memory                                  |                                                |
| Internal memory                         | 32 GB                                          |
| Maximum internal memory                 | 128 GB                                         |
| Internal memory type                    | DDR5-SDRAM                                     |
| Memory layout (slots x size)            | 1 x 32 GB                                      |
| Memory slots                            | 4x DIMM                                        |
| ECC                                     | No                                             |
| Non-ECC                                 | Yes                                            |
| Memory data transfer rate               | 5600 MT/s                                      |

**Storage**

|                                    |                   |
|------------------------------------|-------------------|
| Total storage capacity             | 1 TB              |
| Optical drive type                 | No                |
| Storage media                      | SSD               |
| Number of storage drives installed | 1                 |
| Total SSDs capacity                | 1 TB              |
| Number of SSDs installed           | 1                 |
| SSD capacity                       | 1 TB              |
| SSD memory type                    | TLC               |
| SSD interface                      | PCI Express 4.0   |
| NVMe                               | Yes               |
| SSD form factor                    | M.2               |
| M.2 SSD size                       | 2280 (22 x 80 mm) |
| Self-Encrypting Drive (SED)        | Yes               |

**Graphics**

|                               |                  |
|-------------------------------|------------------|
| Discrete graphics card        | Yes              |
| On-board graphics card        | Yes              |
| Discrete graphics card model  | NVIDIA RTX A1000 |
| On-board graphics card model  | Intel® Graphics  |
| Discrete GPU manufacturer     | NVIDIA           |
| Discrete graphics card memory | 8 GB             |
| Discrete graphics memory type | GDDR6            |
| On-board GPU manufacturer     | Intel            |
| On-board graphics card family | Intel® Graphics  |

**Performance**

|                                       |             |
|---------------------------------------|-------------|
| Product type                          | Workstation |
| Market positioning                    | Business    |
| Motherboard chipset                   | Intel® Q870 |
| Trusted Platform Module (TPM)         | Yes         |
| Trusted Platform Module (TPM) version | 2           |

**Network**

|                         |                    |
|-------------------------|--------------------|
| Ethernet LAN            | Yes                |
| Wi-Fi                   | No                 |
| Ethernet LAN data rates | 10,100,1000 Mbit/s |

|                                                 |                                                |
|-------------------------------------------------|------------------------------------------------|
| LAN controller                                  | Intel® I219-LM                                 |
| <b>Ports &amp; interfaces</b>                   |                                                |
| USB 2.0 ports quantity                          | 4                                              |
| USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity | 3                                              |
| USB 3.2 Gen 1 (3.1 Gen 1) Type-C ports quantity | 0                                              |
| USB 3.2 Gen 2 (3.1 Gen 2) Type-A ports quantity | 1                                              |
| USB 3.2 Gen 2 (3.1 Gen 2) Type-C ports quantity | 1                                              |
